**General Agreement of Academic Co-operation between
Jiangxi University of Science and Technology, China and
Universidad Autónoma de San Luis Potosí**

This agreement between Jiangxi University of Science and Technology, China; and the Universidad Autónoma de San Luis Potosí, Mexico; is aimed at establishing a general program of academic exchange and co-operation based upon the principles of being legal, equivalent and mutually helpful.

1. Both sides agree to promote the exchange and co-operation in all academic areas of research and education, including the areas of engineering, science, arts, economics, law and management, the development of new areas of research and teaching, and the sharing and dissemination of the academic information and documentation in all areas of mutual interest.
2. Both sides agree to promote the exchange of academic staffs between the two universities. For this purpose, the expenses generated pays for the visit side. The specific visits shall be discussed and agreed by both sides each time before the visits takes place.
3. Both sides agree to facilitate the exchange of students wanting to visit and/or participate in the education programs of the other university, and to explore the possibilities of developing an academically sound and equivalent student exchange program based upon the concept of parity.
4. The specific activities, projects, relevant funds and the other matters relating to the implementation of this agreement shall be discussed and dealt with separately by the two parties to the satisfaction of each side in advance.
5. This agreement shall be effective for five years from the date of signing and shall be subject to change, renewal and termination only by mutual consent.

Signed by the representatives of each of the two parties:
